

The Mexican Society of Irradiation and Dosimetry, SMID, is pleased to announce the

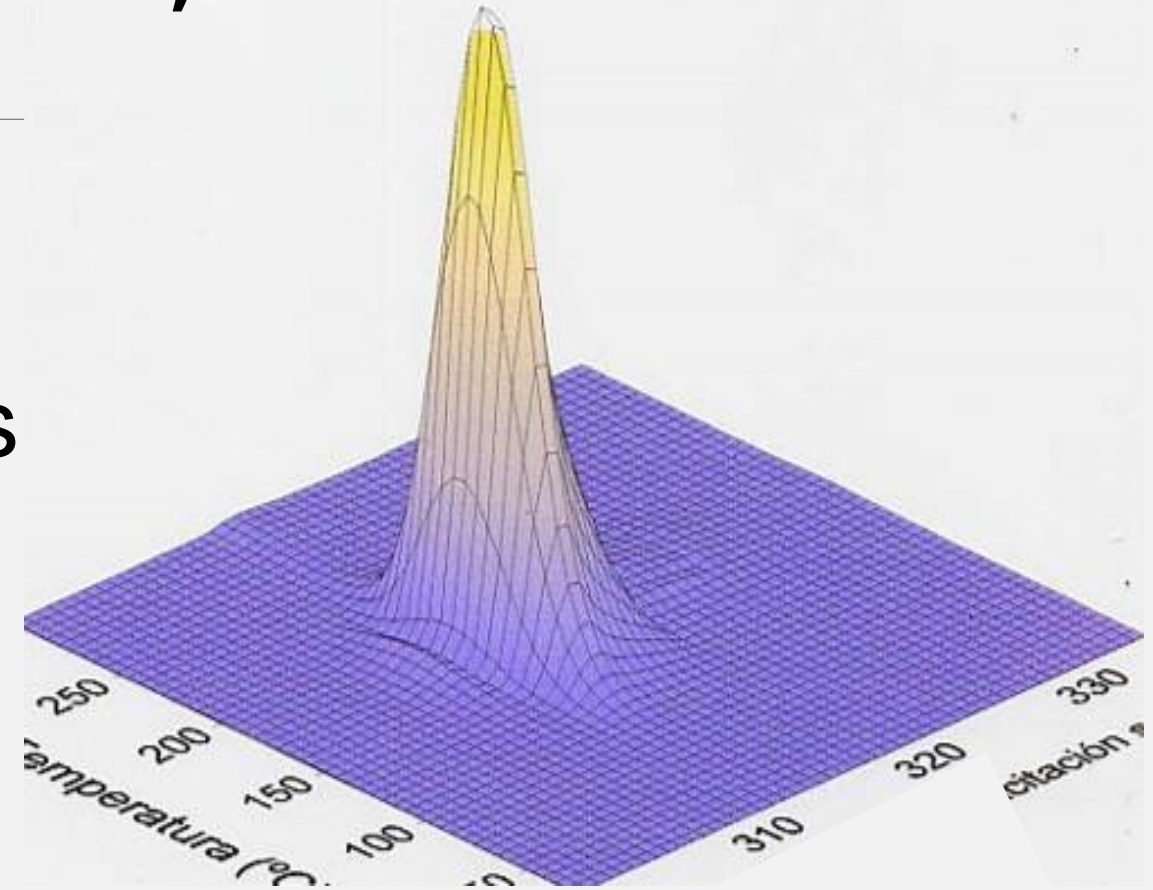

XVIII INTERNATIONAL SYMPOSIUM ON SOLID STATE DOSIMETRY

September 24 to 28, Oaxaca, Oaxaca, MEXICO

Dosimetry an interdisciplinary world

Topics related to solid state dosimetry and its applications mainly in Medical Physics.

The participation of physicians will be strongly encouraged.

Outstanding speakers from abroad

Refreshment courses:

Abstract submission dead line:

June 30, 2018

Full papers dead line:

September 14, 2018

More details:
